*Re: 12/1/69 JTB*

*Free  
Govt  
Agency Speaker*

Dear Sir:

We of the Alaska Federation of Natives recognize that in an issue as complex and important as the Alaska native land claims, there is necessity for presentation of all views. In furtherment of this objective, I am enclosing a revised copy of an address made to the Chamber of Commerce on October 3, 1969. Please feel free to use it.

Sincerely,

*John Borbridge, Jr.*
