

time immemorial. AFN proposes that said confirmation of lands should be in the amount of forty million acres.

- B. A payment of \$500,000,000 and an overriding royalty of 2% of the revenue derived from the lands as compensation for lands previously taken, and as compensation for the extinguishment of any and all claims against the United States, based upon aboriginal right, title, use and occupancy of lands in Alaska by any Native or Native group.
- C. Recognition of a statewide Native corporation, and not more than twelve regional corporations as the management group for the land and funds.
- D. Creation of an Alaska Native Commission to assist in the administration of the Settlement Act.

Each of these concepts (confirmation of title to a specific amount of land, payment of compensation and provisions for the administration of the settlement) have been included in prior bills introduced in Congress.
