

1 of this Act. The amount of money distributed to each regional
2 corporation shall be apportioned in direct relation to the
3 Native population of the region, as shown on the final mem-
4 bership roll promulgated in accordance with subsection 7
5 (b) (2). Moneys received from the Fund which the Cor-
6 poration must distribute to regional corporations in accord-
7 ance with this subsection shall not constitute income to the
8 Corporation for any purpose.

9 (2) Until the membership roll becomes final in ac-
10 cordance with subsection 7 (b) (2) of this Act, the Corpora-
11 tion shall distribute only eighty per centum of all moneys paid
12 to it out of the Fund to the regional corporations established
13 pursuant to section 9. The amount of money distributed to
14 each regional corporation shall be apportioned in direct rela-
15 tion to the Native population of the region, before publica-
16 tion of the membership roll in accordance with subsection
17 7 (b) (1) as shown on the temporary census roll prepared
18 in accordance with section 7 (a), and after publication of
19 the membership roll in accordance with subsection 7 (b) (1)
20 as shown thereon, and appropriate adjustments shall be
21 made in actual distributions to reflect any prior advances, and
22 the relative rights of the regional corporations, under this
23 paragraph: *Provided*, That all distributions made pursuant
24 to this paragraph shall be deemed advances of moneys to
