

1 (4) Until the membership roll becomes final in accord-
2 ance with subsection 7 (b) (2) of this Act, each regional cor-
3 poration shall distribute only 70 per centum of all moneys
4 paid to it by the Corporation, after deduction of any distribu-
5 tions pursuant to paragraph (2) hereof, to the village cor-
6 porations. The amount of money distributed to each village
7 corporation shall be apportioned in direct relation to the
8 Native population of the village, before publication of the
9 membership roll in accordance with subsection 7 (b) (1), as
10 shown on the temporary census roll prepared in accordance
11 with section 7 (a), and after publication of the membership
12 roll in accordance with subsection 7 (b) (1) as shown
13 thereon, and appropriate adjustments shall be made in actual
14 distributions to reflect any prior advances, and the relative
15 rights of the village corporations, under this paragraph: *Pro-*
16 *vided,* That all distributions made on such basis shall be
17 deemed advances of moneys to which the village corporations
18 ultimately will become entitled and shall not constitute a
19 determination of their relative rights to receive funds or prop-
20 erty under this Act. The remaining 10 per centum of the
21 moneys paid to each regional corporation by the Corpora-
22 tion, which are withheld by such regional corporation pur-
23 suant to this paragraph, shall be invested for the benefit of
24 the village corporations as their interests therein ultimately
25 are determined.
