

1 for the region in which such village is located. At the time
2 of such conveyance, the regional corporation shall succeed
3 and become entitled to any and all interests of the United
4 States or the State, as lessor, in any mineral leases covering
5 such lands.

6 (4) Upon completion of the survey of lands selected by
7 a regional corporation, as provided in subsection (a) hereof,
8 the Secretary promptly shall issue a patent or patents to such
9 corporation to the land and all interests therein, including
10 minerals covered by the mining and mineral leasing laws,
11 subject to valid existing rights. At the time of such convey-
12 ance, the regional corporation shall succeed and become en-
13 titled to any and all interests of the United States or the
14 State, as lessor or landowner, in any leases, permits, contracts
15 or rights-of-way covering such lands.

16 (c) Nothing in this Act, except the withdrawal of pub-
17 lic lands pursuant to section 10, shall repeal, modify or other-
18 wise affect the right of any Native to acquire public lands
19 of the United States under the Native Allotment Act of May
20 17, 1906 (34 Stat. 197), as amended. In addition, upon
21 application to the Commission within ten years after the
22 effective date of this Act, and upon certification by the Com-
23 mission that such application is valid and proper, the Sec-
24 retary shall issue a patent to the Native applicant, subject
25 to valid existing rights, without payment therefor, to the sur-
