

1 purposes, including summer and winter range facilities
 2 and intervening line camps, for at least three years prior
 3 to the date of application to the Commission; or

4 (3) which have been used by a Native nineteen
 5 years of age or over as a primary place of residence or
 6 business for one year prior to the date of application to
 7 the Commission: *Provided*, That such patent shall be up
 8 to, but shall not exceed, one hundred and sixty acres:
 9 *And provided further*, That such patent shall include
 10 title to minerals subject to the mining laws, but not to
 11 the mineral leasing laws.

12 Pending the issuance of a patent under this paragraph, the
 13 Secretary may permit continued use of the lands for the pur-
 14 poses upon which the application for patent is based. The
 15 Secretary shall apply the rule of approximation with respect
 16 to acreage limitations set forth in this paragraph.

17 (d) (1) Where, prior to patent of any land under sub-
 18 section (c), a lease, contract, or permit has been issued for
 19 the utilization of surface or mineral resources covered under
 20 such patent (including a lease issued under section 6 (g) of
 21 the Statehood Act), the patent shall contain provisions mak-
 22 ing it subject to the lease, contract, or permit and the right of
 23 the lessee, contractee, or permittee to the complete enjoy-
 24 ment of all rights, privileges, and benefits granted him by
 25 such lease, contract, or permit. Upon issuance of the patent,

1 the patentee shall
 2 interests of the
 3 tor, or permittee
 4 covering the surface

5 (2) The Secretary
 6 granting of each
 7 each lease to
 8 mineral leasing
 9 patented pursuant
 10 by such patent,
 11 bond, satisfactory

12 patentee for any
 13 may cause in con-
 14 mit or lease, and
 15 sions in such lea-
 16 patentee against
 17 of his land.

18
