Scholarship Application - 2009/2010**

The CH2M HILL (formerly VECO Alaska, Inc.) Scholarship Program has been organized under Section 29 of the Grant of Right of Way Agreement Lease for the operation of the Trans-Alaska Pipeline. The goal of the Scholarship Program is to provide financial aid to Alaska Native students, which will assist them in achieving their underground college educational goals and prepare them for jobs on the Trans Alaska Pipeline System (TAPS).

Number of Awards:

The number and amount of scholarships/grants awarded each year is dependent upon:

- The number of eligible applicants
- The quality of applications
- The availability of funds

Applicants Must Meet the Following Eligibility Requirements:

- Applicants must be of Alaska Native Heritage and be able to provide acceptable documentation (see the checklist for specific documentation accepted).
- Have a high school diploma or equivalent.
- Be enrolled in an accredited undergraduate program at a college or university, which will prepare candidates for a position on the Trans-Alaska Pipeline or AutoCAD/Drafting or related field.
- Be a full-time (12 credit hours or the number of credits the school requires for full-time status) student during the entire academic year to be eligible for the total scholarship amount offered.

Award Criteria:

- The primary emphasis of CH2M HILL's Scholarship Program is to provide educational assistance to Alaska Native Students pursuing degrees in the Engineering, Design and Drafting fields which correspond to the services that CH2M HILL provides Alyeska under contract. While applicants in other educational fields will be considered, preference is made towards the Engineering fields.
- All scholarships are awarded on an academic year basis.
- Be enrolled as an undergraduate student pursuing a two or four year degree at an accredited institution and maintain at least a 2.0 GPA during the scholarship year.
- All scholarship award payments are issued in the college's name and sent to the financial aid office address stated on the awardee's application.

How to Apply:

If you are interested in applying for a scholarship, you must meet the above eligibility requirements and complete the attached application.

Application Deadline July 31, 2009 at 5:00PM:

This is a firm deadline. No exceptions are allowed.

Student Information Release Form (SIRF)
2009 – 2010 Academic Year

Alyeska Pipeline Service Company (APSC) has provided scholarship funds through CH2M HILL to Student Name _____, Student SS# _____ that made your individual scholarship award. A condition of receipt of this scholarship requires that you complete this "Student Information Form" and submit a current resume.

VECO Alaska, Inc. must monitor the progress of students beyond the period in which you receive the scholarship funds. This release form will enable the organization/institution to provide information on your progress as a student, including any degrees or certifications you receive, resume, and other information as needed. You agree to furnish a current resume annually to the awarding organization for submission to ALYESKA in ALYESKA'S required electronic format. This resume will be furnished to ALYESKA, by the Awarding Organization awarding you this scholarship.

I, (Students Name) _____, consent that CH2M HILL identified above may release information to ALYESKA regarding my progress as a student, now and beyond the period of my scholarship award. This information may include, but is not limited to: major, year of completion, GPA, school, degree/certification received, and resume. I understand that release of this information is a condition for receipt of scholarship funds. I also understand that if my GPA falls below 2.0 (C), I will no longer be eligible for scholarship funds.

I also understand that I can only receive a maximum of \$5,000 of ALYESKA PIPELINE SERVICE COMPANY scholarship funding per award cycle, which can include multiple organizations providing ALYESKA Scholarship Funds. Failure to abide by this requirement will jeopardize future scholarship funding.
