70030 AKLA S001 J03

Scholarships Available!

Contact Davina Cole at drcole3@alaska.edu for more information about the Box of Treasures Scholarship for Alaskan Natives taking NWC Arts classes.

Natural Dye

Studies history, philosophy, and procedures for dyeing with plants and other naturally found dyestuffs.

Students learn how to use mordants, collect dye materials, extract the dye, dye wool and other fibers, and keep accurate records of their experiments. Both native and exotic dyestuffs are included.

Contact the Registrar's Office at 796-6100 or uas.registrar@alaska.edu for more information to get registered!
