

Sealaska Heritage Noon Lecture

The Lifelong Effects of Adverse
Childhood Experiences

Dr. Vincent J. Felitti

**TUESDAY,
FEBRUARY 9th, 2016, 12-1 pm**

Sealaska Heritage - Shuká Hít
(the clan house)
in the Walter Soboleff Building

FREE & OPEN TO THE PUBLIC

Join us for a free lecture by Dr. Vincent J. Felitti, one of the world's foremost experts on childhood trauma and its adverse impacts on victims decades later. In his lecture, Dr. Felitti will discuss research which found that humans convert childhood traumatic emotional experiences into organic disease later in life.
