

Sealaska Heritage Museum Internships

Sealaska Heritage is offering two 2023 semester internships to undergraduate and graduate students at SHI in Juneau and the Institute of American Indian Arts in Santa Fe, New Mexico.

Interns will gain hands-on experience with cataloging museum collections, object storage management, and exhibition planning, research, and installation.

Eligibility:

Open to undergraduate students who have completed two years of college and to graduate students majoring in museum studies or a related field.

Compensation:

Interns will earn \$26 per hour plus travel expenses.

Apply by Jan. 31:
