

Welcome to Baby Raven Reads!

Reading can become a healthy habit. Follow these tips for enhancing reading in your home:

Birth to 2 yrs

- Read books as early as possible
- Read for very short amounts of time
- Read every day!

2-3 yrs

- Read every day!
- Read the same books over and over
 - Repetition makes for great learning, children feel comfortable participating and this builds vocabulary
 - Ask Questions
 - Notice letters
 - Let your child turn the pages

3-5 yrs

Build on it – follow the same guidelines for younger ages, add these as your child is ready:

- Think about it
 - Ask questions like “What might happen next?” “How is this person feeling?” “What would you do?”
- Make it relevant
 - Relate the story to real life
- Begin with sounds
- Name it
 - Practice naming and identifying letters
- Encourage curiosity
- Read every day!
