OPENING THE BOX
A culturally responsive approach to STEAM education

Do you work in a STEAM (Science, Technology, Engineering, Art, and Math) career field? Become a host for an Alaska Native or Native American summer intern interested in pursuing a STEAM career.

• Five-week paid internships are open to high school seniors who are Alaska Native or Native American, who will be graduating with the class of 2022, and who are living in Southeast Alaska.
• Intern pay is provided by Sealaska Heritage (SHI) through grant funding.
• SHI will provide training and ongoing support throughout the internship period.

IMPORTANT DATES
Virtual training: MAY 9, 23, and 25
Internship dates: JULY 6–AUGUST 12

See application for more detail.
