Do you work in a STEAM (Science, Technology, Engineering, Art, and Math) career field? **Become a host for an Alaska Native or Native American summer intern interested in pursuing a STEAM career.**

- Host organizations are called upon to provide five weeks of work experience for rising juniors, rising seniors, and recent high school graduates.
- Intern pay is provided by Sealaska Heritage (SHI) through grant funding.
- SHI will provide training and ongoing support throughout the internship period.

**IMPORTANT DATES**

**Internship dates:** JUNE 15–JULY 21
