Do you work in a STEAM (Science, Technology, Engineering, Art, and Math) career field?

Mentor an Alaska Native or Native American high school student exploring their future career options in STEAM.

- Share your experience with Alaska Native and Native American students on the benefits and realities of post-secondary training and entering a STEAM field.
- Mentor time commitment is a maximum of 20 hours over the course of the Spring 2023 semester.
- Meetings take place over Zoom and in-person with additional in-person meetings as an encouraged option.
