Do you care about the natural world? Enjoy spending time outside? Love making things?  
**Earn high school credit and explore your career options in the Opening the Box STEAM Mentorship Program.**

- Opportunities for field work, job shadows, and networking with professionals in our communities
- Discuss options and potential barriers for Alaska Native and Native American students in STEAM
- Build friendships with a regional cohort of students
- Open to students in select Southeast Alaska communities
- Monthly online meetings with independent work between meetings
