

# OPENING THE BOX

*A culturally responsive approach to STEAM education*

SCIENCE • TECHNOLOGY • ENGINEERING • ART • MATHEMATICS

Photo by Stacy Unzicker.

Do you care about the natural world? Enjoy spending time outside? Love making things?  
**Learn new skills and explore your career options in the  
Opening the Box STEAM Mentorship Program.**

- Opportunities for field work, job shadows, and networking with professionals in our communities.
- Discuss options and potential barriers for Alaska Native and Native American students in STEAM.
- Build friendships with a regional cohort of students.
- Open to students in select Southeast Alaska communities.
- Monthly online meetings with independent work between meetings throughout the Fall 2023 semester.
